Legal Disclaimer

Important Legal Notices and Privacy Statements

Your access and use of this website signifies your consent to and agreement with the terms and conditions specified below. Please read this Disclaimer before accessing our website further. Novaphene may, at any time, revise these terms and conditions by updating this page. You are bound by any such revisions and should therefore periodically visit this page to review the current terms and conditions.

No Warranty and No Liability

While Novaphene and its affiliates make efforts to include accurate and up-to-date information, they make no representations or warranties, express or implied, as to the accuracy or completeness of the information provided on this site and disclaim any liability for the use of this site or any site linked to it. Novaphene may change this site at any time without notice but does not assume any responsibility to update it. Novaphene makes no warranties, express or implied and assumes no liability in connection with any use of this publication and all agree that all access and use of this site and of any site linked to from this site and the information contained herein and therein are at their own risk. Neither Novaphene (including its agents, directors, and employees) nor any other party involved in creating this site is liable for any direct, incidental, special, consequential, indirect or punitive damages or other damages arising out of your access to or use of this site, including but not limited to viruses or malware that may infect your computer equipment or software and any damages for lost profits, business interruption, loss of programs or other data on your information handling system or otherwise, even if Novaphene or other person or entity is advised of the possibility of such damages and whether such damages arise in an action of contract, negligence or other tortious or legal action.

Limited Use

Novaphene hereby grants you the right to display, store and reproduce copies of this publication for personal use subject to the following conditions:

1. The publication may be used for internal purposes only and may not be sold or distributed for commercial or political purposes;
2. The publication may not be modified, diffused, reposted or transmitted in any respect;
3. The copyright notice must appear on every copy of the work or portion thereof.

Trademarks

The trademarks, logos and service marks (collectively, the "Trademarks") used or mentioned on this site are registered and unregistered trademarks of Novaphene, one of its affiliates or third parties and are legally protected. Be aware that certain product names are trademarks, even if not specifically mentioned. Nothing on this site should be construed as granting, by implication, estoppels or otherwise, any license or right in or to the Trademarks without the express prior written permission of Novaphene or such other third party. Your misuse of the Trademarks on this site and in its conditions is strictly prohibited.

Product Use and Recommendations

This site has been designed to provide general information about Novaphene and its products. This site is not intended to any instruction on the appropriate use of products produced and supplied by Novaphene . All recommendations for handling, storage or use of products, whether given in writing, orally, or to be implied from the results of tests are based on the state of Novaphene's knowledge at the time such recommendations are made. Notwithstanding any such recommendations, you as the user of such products must make your own determination and satisfy yourself that the products supplied by Novaphene and the information and recommendations given by Novaphene are (i) suitable for intended process or purpose, (ii) are in compliance with environmental, health and safety regulations, and (iii) will not infringe any third party's intellectual property rights.

Consent to Monitoring

Novaphene is under no obligation to monitor the information residing on or transmitted to this website. However, anyone using this website agrees that Novaphene may monitor the website contents periodically to: (1) comply with any necessary laws, regulations or other governmental requests; (2) operate the website properly; or (3) protect itself and its users. Novaphene, in its sole discretion, reserves the right to modify, reject or eliminate any information residing on or transmitted to its website.

Submissions to This Website are Not in Confidence

Novaphene does not want to receive proprietary information from you through this website. Should any user of information on this website provide Novaphene with information, including but not limited to feedback, data, answers, questions, comments, suggestions, plans, ideas or the like, such information shall be deemed to be unsolicited, nonproprietary and non-confidential and shall become the property of Novaphene assumes no obligation to protect such information from disclosure, subject to the Privacy Policy below with respect to user personal information. The submission of such information to Novaphene shall in no way prevent the purchase, manufacture or use of similar products, services, plans and ideas by Novaphene for any purpose whatever and Novaphene shall have an

unrestricted and irrevocable right to reproduce, use, publish, broadcast, disclose, display, perform, modify, transmit and distribute the information to others without restriction and without compensation, subject to the Privacy Policy below with respect to user personal information.

You are prohibited from posting or transmitting any unlawful, threatening, libelous, defamatory, obscene, scandalous, inflammatory, pornographic, or profane material or any material that could constitute or encourage conduct that would be considered a criminal offense, give rise to civil liability, or otherwise violate any law. Novaphene will fully cooperate with any law enforcement authorities or court order requesting or directing Novaphene to disclose the identity of or help identify or locate anyone posting any such information or materials subject to privacy laws.

Registered User Responsibilities

For those websites or portions of websites requiring users to be registered and to log in using an ID and/or a password, registered website users are responsible for maintaining the confidentiality of their user IDs and passwords. Registered users shall notify Novaphene at info@novaphene.com if their user ID and password is lost or stolen, if there is any change in their authorization or access for use of the password, or if their registered authorizations are revoked. Registered users agree that they will not provide their user ID and password to any other person and that any purported transfer, assignment or sublicense of the limited and revocable rights granted under these terms and conditions shall be void.

Some of the information included on this website was taken in its entirety from written materials previously distributed publicly by Novaphene. All information included on this website speaks as of the date it was first published in print or as of the date it was published on this website or as of the actual date that appears on such particular information, whichever date is earliest. Republication on this website of previously distributed or printed material means that it was not updated from its date of original distribution or printing. Interested persons are referred to the regular financial media for news of important developments concerning Novaphene.

Disclaimer of Endorsement

Reference herein to any products, services, processes, links to third parties or other information of third parties or to any trade name, trademark, manufacturer, and supplier or otherwise does not necessarily constitute or imply the endorsement, approval, sponsorship or recommendation by Novaphene. Product and service information are the sole responsibility of each individual vendor. Your linking from this website to any other website is at your own risk and is for convenience only. Novaphene does not express any opinion on the content of such third party information or sites and expressly disclaims any liability for all third party information and the use of it.

The posting of this website by Novaphene is a passive activity. In itself access to this website by persons in any jurisdiction does not imply that Novaphene intends to purposefully avail itself of the privilege of conducting activities within such jurisdiction.

Notwithstanding the foregoing, this website may be viewed worldwide and may contain references to products or services not available in all countries. References to a particular product or service do not imply that Novaphene intends to make such products or services available in such countries.
